

# Inquizztive

The Biz Tech Quiz of Convolution 2018

# Introduction

Inquizitive the annual quiz of Convolution has become an important day in the calendar of the Quizzing Fraternity. With it's unique blend of Business, Technology and an innovative round on all things Electrical, it has gained considerable repute in the Quizzing Fraternity.

With this I would like to give you a brief idea about how this year's quiz will be presented.

# Format

It will be a two stage process :

- Prelims : A written preliminary round where teams of 3 will participate. Top 6 teams will make it to the finals. In case of ties star marked questions and count back methods (which are standard procedures ) will be used.
- Finals : On stage round , which will have special rounds on Electrical Engineering. Infinite Pounce and Bounce format will be followed. Top 3 teams will be awarded at the end of the quiz.

# The Quiz Master

- Our Quizmaster for the day, Samanway Banerjee, as a quizzier has participated in over 700 quizzes and has represented the city of Kolkata multiple times at the national level
- As a quizmaster, he has hosted quizzes in all formats and levels across all categories, ranging from schools, colleges and corporates. Other than this, he has been the QM at the prestigious Kolkata Quiz Festival multiple times. He has hosted events for almost all major schools and colleges of the city.
- Last year, he has worked as the Venue Press Assistant for the hugely successful FIFA Under-17 World Cup, the largest soccer event in the country till date.
- His most recent assignment has been as a Senior Researcher for 'Ke Hobe Banglar Kotipoti'.

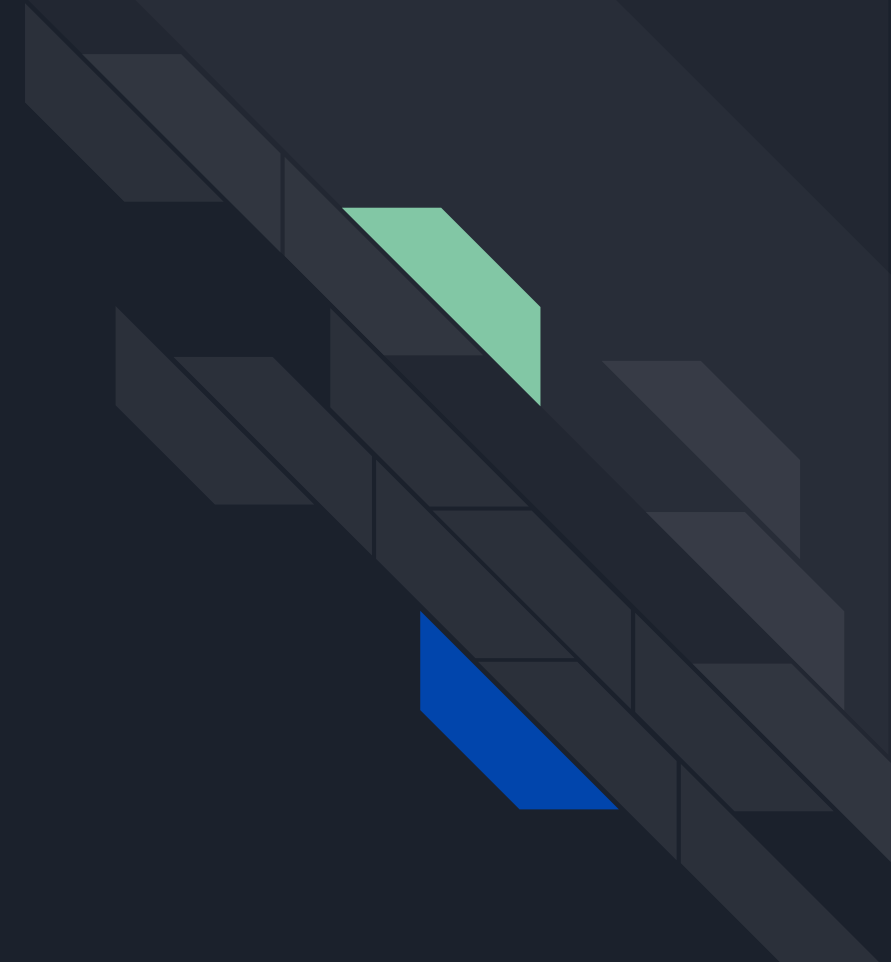

# Team Formation

- Each team will have 3 members.
- All members have to be college students ( UG and PG) . PhD students are not allowed.
- Cross college teams are allowed.
- Each participant must carry his/her college id card or library card as proof.
